Mr. Bergner:

The EPA will be continuing the on-site investigation work for the RI/FS at the Falcon Refinery site. Brian Mueller, the RPM for the RI/FS work at the site, has sent an access agreement for signature in the email below to a Lazarus representative.

Pursuant to the RI/FS AOC, please use your best efforts to assist the EPA in obtaining a signature to the access agreement by Jonathan Carroll or an authorized representative of LTRI.

Please understand, again, that your assistance, on behalf of the PRP, NORCO, is necessary.

Thank you,
